Project Experience

BRASSELER USA x SCADPro 48-hour Design Challenge

SCAD | Savannah, GA

February 2021

- Collaborating virtually with a team of fourteen students across various concentrations to create an overall concept for the project
- Leading a five-person interior design team in creating concept imagery, furniture plans, and interior views
- Listening to client's initial thoughts as well as revisions given at midpoint check-in and successfully implementing their feedback in final deliverables

Boutique Hotel Design

SCAD | Savannah, GA

Fall 2020

- Concept development based on collaborative client and user research and actualizing a consistent mood for the project
- Implementing universal design strategies through floor, wall and ceiling design
- Modeling in Revit and final renderings using Enscape

Work Experience

Pelindaba Lavender

Sales Associate + Display Management

2020-Present

- Creating seasonal displays in order to highlight certain products
- Assisting customers with shopping and online orders, and solving problems revolving around consumer purchases

Pounce Cat Café

Shift Lead + Cat Caretaker

2018-Present

- Interacting with customers to ensure their visit is pleasant and memorable while learning about potential adopters to match them with the perfect kitty!
- Maintaining the cats well-being and coordinating potential adoptions and cat care with the local Humane Society

Involvement
