work experience

Contract Project Designer

Studio Tho' | 2023 - present

- Actively contributes to all stages of interior design, from concept to schematic development, culminating in impactful final visualizations
- Manages finishes and fixtures coordination and documentation
- Collaborates closely with architects to create final visualization through renderings and comprehensive Design Document sets

Concept Artist

Storm8 | 2021 - present

- Responsible for developing diverse design schemes applied by game developers in "The Property Brothers Home Design" and "Home Design Makeover" apps
- Utilize Maya and Photoshop for design visualization

project experience

Colite City x SCADpro Design Challenge

SCAD | West Columbia, SC | December 2022

- Lead an eight-person interior design team in creating iterative concepts, plans and interior views for a convention center, venue and food hall
- Collaborated with a team of fifteen students from various academic concentrations to design phase I of an industrial adaptive reuse project
- Presented final interior, architectural and branding deliverables, utilizing immersive technologies, creating a full-scale design visualization

Ukiyo x SCADpro 48-hour Design Challenge

SCAD | Savannah, GA | November 2021

- Responsible for designing a traditional Japanese Ramen Bar - final design solution adopted by client and construction completed **June 2022**
- Collaborated with a team of fifteen students across various concentrations to design the restaurant's interior and brand identity
